

# Steel Ground Lift Scissor Table 52 In. x 84 In. 3000 Lb. Capacity Blue

**MODEL EHLTG-5284-3-54**

Ergonomic Solutions / Ground Lift Scissor Tables with Handrails

## PRODUCT OVERVIEW

The ground lift scissor table is designed for use when fork trucks are not available. The pallets can be loaded onto the platform with pallet trucks and raised to an ergonomic working height. Safety features include an entry-side electric toe guard to protect pinch points during lowering of the table, velocity fuse to maintain platform height in the event of a hose or fitting failure, foot control, maintenance prop, and upper travel limit switch to stop the table at maximum height and reduce motor wear. The motor is totally enclosed standard with additional voltage options available. The remote power unit can be located up to eight (8) feet away from the table. Optional accordion skirting is available.

## KEY FEATURES

- Pallets can be loaded onto the platform and raised to a working height
- Features entry-side electric toe guard to protect pinch points
- Guardrails for stability and support
- Remote power unit can be located up to eight feet away from the table
